*Tear Bottles are touching gifts of emotion for special times —  
from weddings & anniversaries, to birthdays & friendships,  
to parting & bereavement.*

## History & Tradition

**T**ear bottles by Timeless Traditions are **unique gifts for special occasions**. They are small, decorative bottles steeped in ancient giving tradition. As delicate as a teardrop itself, a tear bottle is a tradition of shared emotions and transformed relationships. Tear bottles can be used for real tears but are more often given as symbolic gifts to express shared feelings of love, sorrow, joy, forgiveness, and remembrance.

©2023 Timeless Traditions, Inc.

All Rights Reserved

Tear bottles reappeared during the 19th-century **Victorian Era**, when mourners collected their tears in long cylindrical vials or small bottles decorated with silver and pewter. Bereavement would end when the tears had evaporated, but the bottle remained as a token of eternal devotion.

**T**oday, tear bottles are used to express many sentiments. They can represent tears of joy at a wedding, birthday, anniversary or memory; Or hold tears of heartache upon the splintering of a relationship, news of an illness, or loss of a loved one. **They are also sometimes used to hold keepsakes such as ashes, a lock of hair, dried flowers, earth from a special place, a prayer, or some other small memento of a loved one, or special occasion.**

Tear bottles are also frequently given as gifts to honor and cherish another person. Many retailers & funeral directors report tear bottles are becoming a signature bereavement gift, because they are everlasting like the love they represent and help the family to feel that their tears are understood and that their loved one's memory will be cherished forever.

Timeless Traditions is pleased to offer their own unique tear bottles – all of which are approximately 2" high and are **Made in the USA with domestic and imported materials**. Our Victorian, Artisan & Roma lines feature intricate lead-free metal filigree designs and our Contemporary flame-worked glass tear bottles are elegant pure glass. Timeless Traditions is pleased to be the leading supplier of tear bottles in the USA.

## What Others Say About Our Gifts

The Comfort Company has had the pleasure of doing business with Timeless Traditions for nearly 2 decades now, and I can honestly say that, not only are the tear bottles among our bestselling gift items, but the customer service we receive is second to none. I can order with confidence knowing our stock will be shipped immediately and the product we receive is of excellent quality. Our customers love the tear bottles because of their sentimental and symbolic value. We love the tear bottles because they are one of our most successful product lines!

— Renee Wood, **The Comfort Company**—  
Gifts of Hope for the Healing Heart—  
Geneva, IL

**“People love the meaning and story behind these tear bottles so they essentially sell themselves.** They are purchased for many emotional occasions and rites of passage. In my

store, weddings are one of the most popular giving occasions. I’ve had young women purchase tear bottles as bridesmaids gifts. Others in mid life have purchased them as bittersweet gifts for friends who are soon to be ‘mothers-of-the-bride.’”

— Kay Johnson, Miller’s Jewelry,  
Bozeman, MT

TALL  
MINI-DOME DISPLAY

“My store is just perfect for the ‘Timeless Traditions’ tear bottle line because I sell sentimental gifts for all kinds of special occasions like **Christenings, graduations, weddings and birthdays.** When customers come in and explain that they’re looking for something unique and expressive, I tell them all about the tear bottles.”

— Susan Mirpuri, Rendezvous, New Orleans, LA

“I heard about tear bottles a few years ago while reading *Divine Secrets of the Ya-Ya Sisterhood*, which we (All Girl Productions) eventually acquired the feature film rights to produce. I actually gave a ‘Timeless Traditions’ tear bottle to my best friend, whose sister-in-law had recently died of breast cancer, leaving behind several small children. **She phoned immediately after receiving the tear bottle and said, ‘This is the best gift I’ve ever received.’**”

— Yvette Taylor, formerly of Bette Midler’s All Girl Productions and currently with Revelations Entertainment, Los Angeles, CA

#4146

A delicate butterfly featuring blue, orange or yellow wing-tips sits on a hand-blown glass tear bottle that has a smoky gray-green marbled-style base with “beaded feet”. A navy quartz, rhyolite or yellow cat’s eye cabochon with a hand-carved cork stopper forms the cap.

The Butterfly symbolizes the story of transformation and rebirth – like the caterpillar when it transforms from its cocoon to beautiful Butterfly, so do we transform our lives from one form to another.

Do you know someone recovering from a divorce, a major illness, the loss of a loved one or going through some other personal transformation such as a marriage or career change?

Reach out to them with this heart-touching and symbolic gift, and let them know you stand beside them in their life-changing transition. The Butterfly symbolizes the story of powerful transformation as it changes from its cocoon to beautiful Butterfly and is a tender encouragement that life can be beautiful on the other side of life-changing events.

## ABOUT THE FOUNDERS & OWNERS

Several years ago, I read about a tear bottle being given as a gift of reconciliation from a daughter to her mother in a contemporary novel and then I went on a two-year search to find one for a friend. Nothing turned up, so with encouragement from my husband and friends, I decided to start designing and producing a line of tear bottles myself. I knew that the re-introduction of the tear bottle into contemporary culture was ultimately what I was destined to do – my company mission is to provide heirloom quality gifts that enhance, heal and honor relationships just like that of the centuries-old tear bottle tradition.

Today, the company is flourishing as interest and awareness in the tear bottle tradition grows. I am amazed at the rich history we've discovered behind the tradition and the way in which contemporary gift-givers are connecting with this symbolic gift. We love to hear stories about how our tear bottles are helping others to enhance and heal relationships. Running a business that provides true value to others is a great reward. One of my favorite quotes comes from Washington Irving: "There is a sacredness in tears. They are not the mark of weakness, but of power. They speak more eloquently than ten thousand tongues. They are the messengers of overwhelming grief, of deep contrition, and of unspeakable love."

May someone cherish you enough to give you a Timeless Traditions tear bottle.
